

## **About Us**

We are a leading ERP software and solutions provider to dealers and rental companies of heavy equipment. We specialize in working with the construction, mining, forestry, material handling, and agriculture industries. We aim to be the ERP thought leader in our space and a trusted IT advisor to all dealers and rental companies. Today, we have over 800 employee associates, offices on four continents, and customers in over 20 countries. We are privately held, and our headquarters are in beautiful Cary, NC. We seek talented individuals to join our team and help us aggressively grow our North American footprint for our on-premises and 100% cloud-based ERP solutions.

## **Internship Details**

This position is ideal for students who want to transition to a permanent role in enterprise software development (SQL, Stored Procedures, front-end development tools) upon successful completion of the program. During the internship, the students will be trained in our technology stack as well as get an opportunity to learn and work in our business domain, while also working on real assignments.

Other key details of the internship program include:

- Duration: January 2025- June 2025 (6 months – **please apply only if you can be available to work full-time in this duration**)
- Stipend: ₹25,000 per month
- Job Location: SEEPZ, Andheri East, Mumbai
- Technologies: Enterprise Applications (Domain – Dealership and Rental Management, Logistics)

Upon successful completion of the internship program, students will transition to a permanent position at VitalEdge, with initial compensation of **₹5 LPA**. There is also an opportunity for outstanding performers to secure a higher offer of ₹7 LPA, based on their demonstrated skills and potential during the internship.

*Note: We do not have any employment bonds.*

## **Why work for VitalEdge?**

We don't just sell technology, we enable transformation that results in broader societal benefits like building homes and critical infrastructure, growing food and delivering all sorts of products we all rely on for daily life. We exist to ultimately equip the world to keep running. We have more than 60 years of combined experience and two industry-leading software suites and associated apps, with which we will drive the market forward. It's an exciting time to work for VitalEdge – join us!

*VitalEdge is an Equal Opportunity Employer*
